_Dear Secretary Chivatta,

This lot of the proposed PECO Reliability Station is in close proximity to numerous residential homes, Russell Elementary School, a busy fast-food restaurant (Freddy's), and a strip of small local business including a Wawa. It also sits at a busy intersection which is prone to vehicular accidents. The speed limit is 40 mph, but is often exceeded. I live almost behind this property and walk almost everywhere. This would be a disaster to getting around the wonderful town of Broomall, The traffic from the Freddy's Drive-Thru line and the Wawa parking lot is already bad enough for the traffic there. I know whenever my family sells our house, the property value could go down to the potential dangers of this monstrosity.

Thank you for listening,

Alyssa Plotnick
